## Methodists Will Burn Mortgage

Sunday, February 27, at 6:30 p.m. the mortgage on the parsonage for the Canal Point Methodist Church will be burned. Bishop James W. Henley, presiding Bishop of the Florida Conference of the Methodist Church, accompanied by his wife and Dr. and Mrs. W. S. Bozeman, district Superintendent of the West Palm Beach District of the Methodist Church, will all be in attendance.

The Rev. Edward Norton, pastor of the local Methodist Church, says, "Much hard work has gone into planning for this historic event in the life of this church. Forty years ago this church was the only building destroyed by the devastating winds of the 1926 hurricane. The people were not discouraged. They immediately started and rebuilt a new church and for 40 odd years the town of Canal Point has felt the spirit of these fine people."

There will be a Fellowship supper at 6 p.m., preceding the dedicatory service. The conclusion of the celebration will be at the parsonage, where Mrs. Norton, assisted by the ladies of the church, will hold "Open House" for friends and guests.

The parsonage has been completed 4½ years and the 10 year mortgage has been paid. The many friends of the church are invited to join the members of the Canal Point Methodist Church for this joyful occasion.

## "Why PTA" Is Topic For Meeting

The Annual meeting of District 6 of the Palm Beach County Council of PTA was held Tuesday, February 22, at the Holiday Inn in Belle Glade. The local PTA presidents had a meeting preceding the general meeting and Mrs. Lawrence Stewart, president of the Canal Point PTA, was chairman of the nominating committee.

John Renlaw was nominated and elected area co-ordinator for this district. His assistant is Mrs. Charles Brown of Pahokee.

The guest speaker at the meeting Mrs. Myron Blea, legislative chairman of the National Parent-Teachers Association, gave a most stimulating speech on "Why PTA." There were approximately 60 people in attendance.

Mrs. Nina Murray of Belle Glade presided over the meeting. She was awarded an outstanding honor of being given a life membership in PTA. This honor is given on the basis of service above and beyond the call of duty.

Mr. and Mrs. Seth Roberts had as their guest during the past two weeks her sister and brother-in-law, Mr. and Mrs. A. D. Bell, of Talladega, Alabama.

Mrs. C. B. Jones and son, Alton Jones, were the guests of her son and family, Mr. and Mrs. Charles Jones, in Clewiston on Saturday.

## IN THE HOSPITAL

Jasper Reed, son of Mrs. Donald B. Kepp, underwent surgery on Friday at Holiday Hospital in Orlando. Mrs. Kepp, accompanied by her sisters Mrs. Rupert Mock and Mrs. Sadie Barwick, visited him on Monday and reported that he is recuperating satisfactorily.

## McClure Gets Dunked In The Big Lake

O. B. McClure, 80-year-old Pahokee Pioneer, received a complete dunking in Lake Okechobee last Thursday afternoon and came through the escapade in fine shape and with no bad effects.

It seems that O. B., as he is affectionately known to his hundreds of Glades friends, was preparing to launch a boat in Lake Okechobee across the dike from the post office in Canal Point when his pick-up truck went out of his control and backed into the Lake. The water covered the entire pick-up with the exception of four inches of the top sticking out.

O. B. was in the truck when it hit the water and was completely covered with water. Tough as a lighter knot from all of his years of farming and working in his fields, O. B. scrambled through the window of the truck and made his way to shore. Unscathed!

He came to The Everglades News office to make a phone call for a wrecker from Pahokee. The editor suggested that he be driven to his home in Pahokee for dry clothes. This offer he refused and stayed in Canal Point until the wrecker arrived. After helping the Stanley Chevrolet Company retrieve his pick-up truck, O. B. went on home for a change of clothing.

## Funeral Held For Mrs. Cross' Sister

Mrs. Mildred Symon, sister of Mrs. W. S. Cross, died Thursday, February 17, in the McKay Memorial Hospital in Soap Lake, Washington. Services were held Saturday, February 19, in Condon, Oregon and interment was there.

She is survived by her husband, Charles Symon of Soap Lake, Washington, two sisters, Mrs. Maude Cross of Canal Point and Mrs. Nellie Reuter of West Palm Beach.

## H. S. Seniors Class Play March 2 and 3

"Hillbilly Wedding" is the title of the Senior Class Play to be presented on Wednesday and Thursday, March 2 and 3, at the Pahokee High School Auditorium. The play is a comedy in three parts.

## Hospital Auxiliary Met Tuesday Night

At the February meeting of the Everglades Memorial Hospital Auxiliary, held in the dining room of the hospital Tuesday night, President Grace Maxson reminded members that the annual period of membership is from Oct. 1 to Sept. 30, and currently there are several members delinquent five months in the payment of annual dues, which are \$3 for active membership, and \$10 for sustaining membership.

It was announced that Mrs. Alys Okie has volunteered to compose a hand book for the Auxiliary, containing the Auxiliary creed, names of officers, meeting dates, a complete list of names of members in good standing, and the like. Members who are behind in the payment of dues have only a few days to make this payment in order for their names to remain on the membership roll and be included in the hand book. These dues may be paid directly to or sent by mail to Treasurer Marilyn Potette and Secretary Marian Hatton in Pahokee or President Grace Maxson in Canal Point.

The group voted to join the National Auxiliary and order official Auxiliary emblems from the NHA.

Announcement was made that the group of teenage girls who have made application to assist in Auxiliary work, known as Candy Strippers, will meet this Thursday for their sponsors, Mrs. Helen Jean Boynton, Mrs. Margaret Wilkinson and Mrs. Kay Simonds, to discuss the kind of work they will be eligible to do at the hospital and make plans for organizing as a group of volunteer workers.

A call was made for volunteers for sewing work mending hospital linens, gowns and the like, the work to be done at home with time spent on this home project to be credited to the annual 50 hours of work requirement for active members. This work is being assigned by Mrs. Annette McCurdy, sewing chairman.

Ways and Means Chairman Faye Ursry reported that work has started in setting up an Auxiliary-sponsored gift shop in the hospital lobby. It is expected the gift shop will be in operation by the end of March.

Acting on Mrs. Ursry's suggestion it was voted that the Auxiliary sponsor the publication of a baby book, containing pages for birth certificate, fingerprints, medical and other official birth records, as well as personal information about the baby's activities and growth during the early years. This baby book will be presented to the mother at the hospital free of charge, and is to be financed through selective advertising renewed annually.

Announcement was made that Pink Ladies working at the hospital through meal hours have the privilege of obtaining meal tickets from Hospital Administrator J. C. Simonds, Jr., at the same price charged regular hospital employees, and eat their meals in the hospital cafeteria.

Next meeting of the Auxiliary is scheduled for Tuesday night, March 29.

## ST. PETE VISITORS

Mr. and Mrs. Dorsey Thompson of St. Petersburg were the week end guest of their parents, Mr. and Mrs. A. M. Sims in Canal Point and Mr. and Mrs. Ray Thompson, in Pahokee during the past week-end.

## 4 Issues Up To Voters On March 8

As a result of a special law passed in the 1965 legislature, Pahokee voters will go to the polls in a special election on March 8 to decide four issues which will change the way of future voting in Pahokee.

Under the first provision, the present five member city council would be maintained but on of the positions would go to a mayor-councilman. Mayor Duncan Padgett presently is not a councilman and has no vote. The mayor-councilman would.

The second provision would make the city judge appointive by the city council. The mayor now serves in that capacity.

A civil service system would be created if the third provision is favorably received by the voters.

Staggering the terms of the five councilmen is the final issue.

## New Priest Is Assigned To Glades

The Right Reverend Monsignor Jose M. Juaristi has been designated Administrator of St. Philip Benizi Catholic Church in Belle Glade and St. Mary's Mission in Pahokee. Monsignor Juaristi is a native of Bilbao situated in Northern Spain.

After his graduation from Victoria Seminary in Spain, he continued his studies in Sociology at the "Institute Catholique" in Paris, France. At the request of his Bishop, he substituted for the young French priests who at that time were prisoners of the Nazis in concentration camps in Germany during the Second World War.

In 1951 he was sent to Cuba and became Chancellor of Camaguey Diocese and advanced to the rank of Monsignor. In April, 1961, he was imprisoned by the Cuban communist government and later expelled from Cuba. He was planning to go back to his native Spain but in July 1961, he was called by Bishop Carroll to serve in the Diocese of Miami, for which he is very grateful to the Bishop.

During the last three years he has served various parishes; his most recent was at St. Juliana's in West Palm Beach before his appointment to St. Philip Benizi and St. Mary's, Belle Glade and Pahokee, respectively.

Monsignor Juaristi feels it a privilege to follow Father French. The new altars are beautiful and the sanctuary decorations are wonderful and Monsignor invites all those interested in modern church art to come in and see and admire them. These and

## Gene McCabe Honored By Glades Group

Despite inclement weather of the past few days in the Glades which makes vegetable production a little on the wearisome side, growers gathered Wednesday night to pay tribute to one of its own who has been recognized nationally.

Members of the "Lake Okechobee Sales Organization" met in a dinner meeting at the Elks Club in Pahokee and honored E. A. McCabe, general manager of Pioneer Growers Cooperative of Belle Glade, who recently was elected president of the United Fresh Fruit and Vegetable Association at the annual convention in Chicago.

John A. Dulany, former Pahokee mayor and sales manager of Lake Shore Growers in Belle Glade, acted as master of ceremonies and also gave a history of the sales organization that has marketed 450 million dollars worth of vegetables since its inception nine years ago.

Mr. McCabe was the featured speaker of the evening and told of the progress made in vegetable production and sales through the past two decades. Mr. McCabe also told of the giant accomplishments made by the national organization of which he was recently chosen president.

Because the ladies were invited guests there was no business meeting during the evening. Frank O'Connell of the Elks Club was responsible for a delectable menu of lobster tail, chicken, pork, sweet corn, baked beans, Greek salad and garlic bread.

## \$12 Beans In Pompano \$5 Corn Here

The high prices for Florida vegetables finally arrived this week. But, the highest price for beans was not received in the Lake Okechobee Region but on the east coast at the Pompano market.

It was on the Pompano market on Tuesday of this week that a grower received \$12 per hamper for green snap beans. It is the highest price this year on any market in Florida. The offering was a light one and only a handful of hampers were in the lot bringing the fancy price.

Only a small offering of corn was available on Tuesday of this week and the price on a few crates soared up to \$5.00 per crate. Other offerings—such as they were—brought only \$4.00 per crate.

Celery has been in steady demand and the price has continued to hold in the \$2.75 to \$3.00 price range.

Many other advancements have been possible because of the cooperation of Father Fenech's parishioners as a recognition of his spiritual work. Monsignor Juaristi is planning to visit each member of his Parish.

## Roberts Seeks Job P. S. C. Board

State Representative Emmett S. Roberts of Belle Glade in Group II for one of the three man post of the Public Service Commission which is considered the single most important State agency as it regulates the rates of our public utilities and the vast transportation industry. He is a 12 year veteran of the Florida House of Representatives.

Roberts said that in his travels throughout Florida, he has found widespread support for the idea of increasing the ability of the commission to perform its service for all the people of this State. "At the present time, the utility companies of Florida employ the top rate experts, attorneys and accountants in order to present their case to the Public Service Commission. These experts are paid by the public as a part of their utility bill," Roberts said, "It is imperative that the citizens of Florida be afforded the same high caliber experts to advise the commission for the benefit of all the people. This policy will insure fair rates to all customers of the

companies regulated by the Public Service Commission and will also insure their continued growth."

Roberts earned his Bachelor of Science degree at the University of Florida and was born in Clearwater and educated in St. Petersburg. He is 53 years old, married to the former Jenlaura Geer of Gainesville and they have two daughters, Anna Marie, 16, and Patty Jane, 11.

Mrs. Nellie Reuter has returned to her home in West Palm Beach after being the guest of her sister and brother-in-law, Mr. and Mrs. W. S. Cross, in Canal Point during the past week.

## Expenses Accounting Is Required

Secretary of State Tom Adams says he will require all candidates for public office to file full information on all campaign expenses.

"Implementation of this new policy simply means that campaign expenditure reports which do not list expenditures in sufficient detail will not be accepted and filed in this office," Adams announced in a statement.

In the past, Adams explained, some candidates have reported lump-sum payments to advertising agencies although the agencies paid the money to radio and television stations and newspapers and other advertising media.

Adams said he felt it was the clear intent of the law, however, to require detailed information on expenditures and each candidate will be advised of this requirement.

W. L. Thompson, 21, who was injured in a two-car crash which occurred almost directly in front of the Grassy Waters Motel, was admitted to the Everglades Memorial Hospital. The crash occurred when the compact car driven by Mrs. Patsy Shepard Thompson stopped to permit a vehicle to make a left turn.

Mrs. Janice Joy Higgins of Can-

al Point was the operator of the second car which skidded about 35 feet before striking the rear of the Thompson car.

Mrs. Lester Hand left Friday to visit relatives in New Orleans, Louisiana, and to attend the Mardi Gras.

Claude Shirley flew to Griffin, Georgia, and accompanied Mrs. Shirley home on Monday. She had been in Georgia during the past two weeks following the death and funeral of her brother, Robert W. Burke.

Mrs. Ola Cross returned to her home in Jacksonville on Sunday following several weeks visit with her niece, Mrs. Alma Nail, in Canal Point.

Mrs. Jackie Sims is a patient at Everglades Memorial Hospital in Pahokee following surgery on Monday.

Mrs. Elmer Jones and daughter, Verla, were the weekend guests of her brother and family, Mr. and Mrs. W. R. Searcy, in Winter Haven during the past weekend.

Mrs. Glenn Andrews of Canal Point has returned to her home from Good Samaritan Hospital in West Palm Beach.

The regular Tuesday meetings of the Sunbeams, G. A. S. and the R. A. S. was held at the Canal Point Baptist Church this week. The leaders of the Sunbeams are Mrs. Mattie Thompson, Mrs. Erna Jean Martin and Mrs. Barbara Stewart. Mrs. Grace Strayer and Mrs. Loretta Pugh are G. A. leaders. Charles Brown is the leader of the Armando Silverio Chapter of the R. A. S.

All the groups are laying plans for the study and week of prayer for home missions March 6-13. Every young person is working to fill his bank with funds that the church may achieve its Annie Armstrong offering goal of \$250.00.

# New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

*The Treasury explains why the new ones you buy and the ones  
you own now are better than ever*

**Q: How does the new  $3\frac{3}{4}\%$  interest rate benefit me?**

**A:** With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to  $2\frac{1}{2}\%$  for the first year and a half; then a guaranteed 4% each year to maturity.

**Q: When did the new rate become effective?**

**A:** June 1, 1959.

**Q: Does the new rate change the Bonds I bought before June 1, 1959?**

**A:** All older E and H Bonds pay more now—an extra  $\frac{1}{4}\%$  from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

**Q: Will the Bonds I own automatically earn their new rate?**

**A:** Yes. You don't need to do a thing—just hold on to your Bonds.

**Q: When my E Bonds mature, will they keep on earning interest?**

**A:** Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

**Q: With the new interest rate, should I cash in my old Bonds and buy new ones?**

**A:** No. The automatic 10% increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

**Q: How are series H Bonds different from series E Bonds?**

**A:** The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

**Q: In what denominations can I buy series E and series H Bonds?**

**A:** E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00); \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000, and \$10,000. They are priced at face value.

**Q: How safe are U.S. Savings Bonds?**

**A:** Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

**Q: What if my Bonds should be lost, stolen or destroyed?**

**A:** You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

**Q: Where can I buy Bonds?**

**A:** Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

**Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?**

**A:** Peace costs money—money for military strength and for aid. And money saved by buying U.S. Savings Bonds helps keep our economy sound.

Kill this pellitory weed  
in sugar cane.  
Use Atrazine. Here's how:

When you see pellitory weed starting to grow, apply Atrazine 80W herbicide, plus a little surfactant. You'll clean out infestations of this winter annual fast and effectively... without hurting cane.

Atrazine is safe to sugar cane. It will not injure your crop when you apply it as directed on the label. And since it's non-volatile, there's no danger of drift to adjacent, sensitive crops.

Even though Atrazine has proved to control pellitory at any stage of growth, early treatment assures best results. With pellitory under control early, you grow more sugar cane per acre.

That's because Atrazine prevents

pellitory from interfering with sugar cane tillering. Also, Atrazine helps make soil moisture and nutrients available for your cane, and not for pellitory weed.

So plan now to grow the maximum tonnage of sugar cane from each acre you plant this season. Just use Atrazine to control pellitory weed this winter.

## How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with
